ENGLAND

DESCRIPTION

9076 BROGUE – The epitome of class and elegance, no one will tell that this brogue is actually a safety product. Offering the highest standards of protection, this **S3 SRC HRO** brogue contains **Water Resistant leather** and breathable insulated **Cambrelle lining**, making it ideal for any weather conditions. Using only the finest stainless steel for the toe cap and the midsole, this shoe protects from penetration and impact. The **PU/Rubber injected outsole** offers the highest level of slip resistance SRC to ensure safety on any job site. Aside from protection, the deep padded collar and anti-fatigue footbed offer all day comfort for long hours on your feet. All of our Samson range is manufactured in an **Environmentally Sustainable Factory** equipped with **solar panel roofing, energy efficient machinery and using recycled packaging materials**. Manufactured in accordance with **ISO 9001 Quality Management** and **ISO 14001 Environmental Management** systems.
