

At Aspli we understand how important corporate image is in today's marketplace, and believe that there is no simpler or more effective way to promote a company name, logo or slogan than with the visual impact of a logo on a safety helmet or other safety product. JSP Helmets and other safety products are specifically designed to allow for a large area for printing a company name or logo from artwork supplied.

- Aspli have been customising helmets for over 30 years
- We use the latest technology to print clear, crisp logo's in up to 6 colours
- Pad printed logos are permanent and will not peel, crack or fade
- Pad printed logos are nonconductive and do not affect helmet performance
- Helmets are printed in 10 working days from approval of artwork
- Minimum order quantities apply

4 Step Guide To Ordering With The JSP Logo Express® Service

1) *Select Helmet*

Choose your helmet and where you want your logo printed, choose either front, back, sides or any combination of the three.

2) *Supply Artwork*

Email artwork to sales@aspli.co.uk, preferably Adobe Illustrator .ai or .eps files. Other file formats are accepted, however these may incur additional set up charges and require more time for the artworking involved.

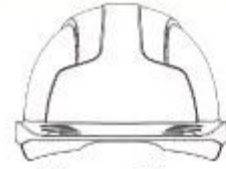

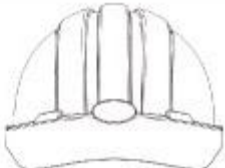

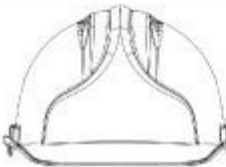

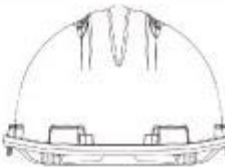

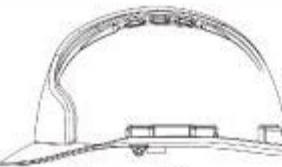

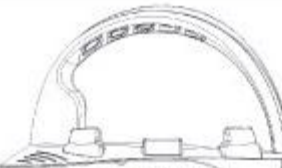

3) *Approve Artwork Proofs*

Aspli will email colour proofs, confirm your order by emailing logos@jsp.co.uk. Alternatively state any amendments that you require.

4) *Delivery*

Delivery of printed helmets within 10 working days

	FRONT	BACK	SIDES
	 70mm x 35mm	 60mm x 35mm	 60mm x 20mm
	 70mm x 35mm	 20mm x 30mm	 60mm x 30mm
	 75mm x 35mm	 75mm x 35mm	 75mm x 30mm
	 60mm x 55mm	 N/A	 80mm x 30mm

- A maximum of 6 colours can be printed.
- Ink colours may vary slightly when printed on different safety helmet colours. We do not recommend printing light colours onto dark coloured helmets because the helmet colour may show through the ink.
- It is important to identify the colour of the safety helmet on your order form. Your helmet colour may be one of the colours in your logo, thereby reducing the number of colours charged in the logo price.
