

Multi Purpose Nitrile Foam Glove

Class-Leading Durability

Designed to be comfortably worn over long periods, Aria has a nitrile foam palm that protects when carrying out a multitude of manual handling tasks.

Aria achieved a result of 25,000 abrasive cycles (EN 388:2003) making it a leader in its class for resistance to abrasion.

(Only 8,000 cycles are required to achieve the maximum level of abrasion resistance under EN388)
