

G18 Heavy Duty Degreaser Concentrate

Super concentrated heavy duty degreaser, ideal for challenging soils in professional kitchens and industrial environments. Powerful alkaline formulation penetrates grease and dirt.

- Super concentrated degreasing cleaner
- Cuts through heavy grime
- Fragrance-free formulation

Dilute as above and apply to surfaces. Allow to dwell briefly before wiping or rinsing clean. Dosage may be increased for heavy soiling. Use with care on aluminium or alkali sensitive surfaces: if in doubt, test first on a small inconspicuous area. Discard unused solutions after 1 week.

Refilling: when your dosing bottle is empty, refill using **G18 C500 5L refill bottle**. Unscrew the cap from your dosing bottle. Using a gloved finger, depress the valve inside the neck of the dosing bottle until it clicks. Then fill the dosing bottle and screw the cap back on firmly.

QUALITY ASSURANCE:

This product is manufactured in the UK by Orca Hygiene Ltd.
Produced under ISO9001 Quality Management System and ISO 14001 Environmental Management System.

CONTAINS: sodium hydroxide; caustic soda
