

24" X 30" APRON AP321/322

Armor Up! No more snags, punctures, abrasions, or cuts to your torso. HexArmor® body protection exceeds the industry's highest testing standards – ISEA Level 5, giving you the protection you need most, where you need it. Our industrial aprons and body protection outperform, outlast, and fit more comfortably than the competition.

the science of safety.®

HexArmor 
ELITE with SuperFabric.®

24" X 30" APRON AP321/322

Competitive fabrics don't always cut it where protection is needed most. HexArmor® industrial aprons and body protection with SuperFabric® brand materials provide the highest levels of cut and puncture protection on the market, increasing safety and reducing PPE overall costs.

FEATURES:

- SuperFabric® brand material provides ISEA Level 5 cut resistance and maintains the highest level of protection available in the industry
- Industrial puncture protection from wires, metal, wood, and glass
- (AP321) Medium weight, single layer
- (AP322) Heavy duty, double layer
- Launderable

Made in USA
