

INTRODUCING ORCA ECO SUPER CONCENTRATES

The Orca Eco range of super concentrates has been developed to offer maximum cleaning performance whilst reducing environmental impact. Highly concentrated formulations mean less plastic waste and reduced CO2 emissions, whilst the easy-to-use, refillable dosing bottle and simple dilution rates make the range super user-friendly.

- 
ENHANCED BIODEGRADABILITY
- 
RECYCLABLE PACKAGING
- 
NATURAL INGREDIENTS
- 
MADE IN THE UNITED KINGDOM
- 
SUSTAINABLE FORMULATION

Environmentally Friendly

- ◆ Natural ingredients
- ◆ Enhanced biodegradability
- ◆ Recycled packaging
- ◆ Refillable dosing bottle
- ◆ Reduced CO2 emissions
