- British Standard Compliant (BS 8599-1:2019+A1:2026) first aid kit
- Available in small, medium and large kits
- Durable, hinged, injection-moulded plastic first aid case
- Fully stocked
- Evolution case size (30x25x12cm)

The **Evolution Workplace First Aid Kit (Medium), British Standard Compliant** is the market leader in first aid kit design and content, developed specifically for the UK. The Evolution Workplace First Aid Kit comes in three sizes (small, medium and large) according to your organisation's needs and helps you to comply with British Standard requirements for workplace first aid. Each high-quality Evolution first aid kit box is made of a durable injection moulded plastic and features a white cross and clear "First Aid" sign, making it easy to identify. The first aid kit is ideal for any type of workplace providing all essential workplace first aid supplies in case of an emergency. The contents are stored in an innovative rigid plastic case that is easy to carry, making it simple to transport to any casualty in need of attention. Dimensions: 30cm x 25cm x 12cm [\[Wall bracket available//PEVB02\]](#) to purchase separately. **Kit Contents**
