

Vulcan[®] Range

A mighty robust high security range of combination and key operated padlocks.

Toughness guaranteed.

@HOME

Vulcan® Range

A mighty robust high security range of combination and key operated padlocks.

New **hardened boron** steel shackles give 80% more attack resistance than other hardened steel shackles

The Vulcan® range of padlocks are based upon Squire's Torq Driv technology used in their **Sold Secure Gold** cycle 'D' locks

Combination and key operated versions

A wide range of shackle types

A wide range of body widths

Independent crime-fighting charity

10 Year Guarantee

Vulcan® Key Range

These uniquely designed key operated padlocks offer a medium to high level of security. They come in 3 body widths 40mm, 45mm and 50mm and within each size, open shackle, closed shackle and long shackle variants are available. They can be supplied keyed alike upon request and are supported by Crimestoppers.

Keyed Alike Available

Vulcan® Combination Range

Named after Vulcan, the ancient Roman god of fire and metalworking, this mighty tough combination padlock range takes some beating. Easy to use in 4 and 5-wheel versions, these Vulcans are fully recodable and offer up to 100,000 combinations. That's why they're supported by the independent crime-fighting charity Crimestoppers.
